*"We wanted a venue that was different,(for our team-building event) the Wayne Art Center was an excellent choice, elegant, yet fun and interesting. The evening was a huge success. The kitchen is absolutely beautiful, the caterer said it was the best kitchen she ever catered in. All my dealings with the Wayne Art Center staff were excellent, good communication, follow through and service. It couldn't have gone better. Our group was stimulated in the art environment and allowed us to follow through with our goals and objectives."*

*"What a great night we shared at the Wayne Art Center! The kitchen space was beautiful and easy to work in. Our culinary class was a huge hit, allowing co-workers to work side by side to create a scrumptious meal to share as the culmination of our event. Many thanks to the talented and spirited Chef Brenda Kiefer and her team!"*
